

**Risky Business**

Once they have a steady income, many people choose to invest some of their money. However, there are many different types of investments for people to choose from.

1. Complete the chart below:

Type of investor	Willingness to take risks
Conservative investor	
Moderate investor	
Aggressive investor	

2. For each type of investor, list some information about what stage in their life they may be at. For example, do they have a steady job? Do they have children? Are they retiring or just starting out?

Type of investor	Characteristics / Information about what stage they are at in their life
Conservative	
Moderate	
Aggressive	

3. How would having dependent children affect your financial state and your willingness to take investment risks?
